

Brainstorming via Brainwriting template

Brainstorming is a creative technique used to generate ideas and solutions through spontaneous group discussion or individual thought. Here are some key points:

- **Definition:** It involves participants sharing ideas without judgment, allowing for free-flowing creativity.
- **Benefits:** Brainstorming encourages collaboration, enhances problem-solving, and can lead to innovative solutions.
- **Techniques:** Common methods include mind mapping, free writing, brainwriting and group discussions.

Brainwriting is a brainstorming technique that involves writing down ideas silently before sharing them with the group. It is an alternative to traditional verbal brainstorming sessions.

How to reach Restaurant ?

Scenario 1

I booked a cab to the restaurant	Then I left home 5 mins early	Reached Restaurant
----------------------------------	-------------------------------	--------------------

Scenario 2

I checked for table availability	There was a long waiting time.	But, finally I got a table.
----------------------------------	--------------------------------	-----------------------------

Scenario 3

Then the waiter came and handed me the menu.	I browsed the menu and placed the order.	The chef started to prepare my order.
--	--	---------------------------------------

Scenario 4

After a while, the waiter came and served me my food.	I begin eating and evaluating the taste.	Then I called the waiter for some mint sauce to go with my meal.
---	--	--

Scenario 5

The taste was good as expected.	At last I requested the bill.	They had a variety of option for payment. I paid with my Debit Card.
---------------------------------	-------------------------------	--

Scenario 6

I gave tip to the waiter and filled the feedback form.	At last, I left the restaurant.	My overall experience was good.

How to reach Airport ?

I booked my flight ticket to Europe for vacation.	After that I checked my flight details (timing, PNR number, terminal)	Then I downloaded my Boarding pass.
---	---	-------------------------------------

I prepared my passport, ID, tickets.	Then I weighted my luggage.	I set my alarms and reminders.
--------------------------------------	-----------------------------	--------------------------------

I even checked travel time on Google maps.	I considered the peak traffic hours and planned buffer time.	I also checked airport terminal directions.
--	--	---

Then I booked a cab to the airport.	I loaded my luggage.	I thoroughly followed the directions and crossed multiple checkpoints or tolls.
-------------------------------------	----------------------	---

At the airport, I located at correct terminal.	Then I unloaded the luggage and found a trolley.	I bid goodbye to my parents and went inside.
--	--	--

At entry I show my ID and ticket.	Then I went through security checks.	At last, I proceeded towards the boarding gate.
